Hold On

Enchantment

If the groove fits your desire
Then let it take you a little bit higherI see weve finally found the groove
The kind of groove that's gonna make you move
And if you're feelin' what I feel
I'll bet you know that the groove is realHold on, don't let go
Hold on, take it slow
And if the groove fits your desire
Let it take you a little bit higher
Hold on, hold on, hold on, heyEverybody's groovin' to the funky beat
It's the kind of beat
That makes you wanna tap your feet
And you can do it without really tryin'
This funky groove is so electrifyin'Hold on, don't let go
Hold on, take it slow
And if the groove fits your desire
Let it take you a little bit higher
Hold on, hold on, hold onI see we've finally found the groove
The kinda groove that's gonna make you groove
And if you're feelin' what I feel
Then you know that the groove is realHold on, hold on, hold on, hold on
Cmon on, fellowsHold on, hold that groove
Hold on, hold that groove
Hold on, hold that groove
Hold on, hold that grooveHold on, hold that groove
Hold on, hold that groove
Hold on, hold that groove
Hold on, hold that groove
