Sunny Weather

Comeg

I've got a hundred thousand watts, hundred thousand dollar stereo
Surrounded by speakers but I'm mono as hell
Got a hundred sad songs about the day that you walked out
'Cause I'm feeling so down, it's just a bad situation
I wish that I could say that
I don't care about the sunny weather
Don't care about the sex when we're together
Don't care about nothin', if you don't care
Why don't ya?
I've gotta lotta good drugs but I don't know how to use them
So I threw 'em in the trash and now my dogs are high as hell
Got a hundred better reasons why you oughta stick around
An' I'll never back down, it's just another situation
I can't control it now
I don't care about the sunny weather
Don't care about the sex when we're together
Don't care about nothin', cause' you don't care
I'd give it all away for you
For just another day with you
What am I gonna do?
I don't care about nothin'
I don't care about nothin'
I don't care about nothin'
If you don't care
I don't care about the sunny weather
Don't care about the sex when we're together
Don't care about nothin', if you're not there
And I don't care about the sunny weather
Don't care and man I wish I'd never met her
Don't care about nothin', if you don't care
