

Robotboy (XzTrAz Remix)

[Robyn](#)

Hey now boy,
Where you've been?
Smashed up toy
Are you lost again?
Your circuits blown
Will you find your coordinates home? Your batteries low
Did you crash again?
Robotboy, don't you need a friend?
Hey little droid,
Is your head on wrong? Hey little prince
You've lost control
Calender boy are you growing old
Your radar's jammed
Shut your laser downs while you can Hush now boy,
Please give in
Robotboy, you've reached the end
Hey little boy
Let your X-ray shine
