Always There

Yam Who?

When I'm less than I should be
And I just can't face the day
When darkness falls around me
And I just can't find my wayWhen my eyes don't clearly see
And I stumble through it all
You, I lean upon, you keep me strong
And you rise me when I fallYou are there when I most need you
You are there so constantly
You come shining through, you always do
You are always there for meWhen life brings me to my knees
When my back's against the wall
You are standing there right with me
Just to keep me standing tallThough a burden, I may be
You don't weary, you don't rest
You are reaching out to carry me
And I know I'm heaven blessedYou are there when I most need you
You are there so constantly
You come shining through, you always do
You are always there for meYou are there when I most need you
You are there so constantly
You come shining through, you always do
You are always there for meThere when I most need you
There so constantly
You come shining through, you always do
You are always there for me
