

I Am The Lyte

Mc Lyte

I am the Lyte
I am, I am, I am the Lyte
I am the Lyte
I am, I am, I am the Lyte Examine the style used in this sequence
The rhyme's the clue, the record's evidence
To the fact that I'm hypin' this episode
Cold carryin' the extra wide load The beat is fat and the rhyme is thick
All over the town you hear the sound and pick
Me, the L the Y the T the E, me
And if you see the rock, I'm sure you'll see me Hey Lyte, what will you be doin'?
Kickin' it, bashin' down competition
And when I drop the bomb, you'll listen
Boom now that I've got your attention
I'm slammin' what you wanna hear I just thought that I should mention
'89 is the Lyte year
Now's the time to roll like a rhinoceros
Step to Lyte, that's preposterous I'm heavyweight, though I'm lightweight
My looks the hook, my rhymes the bait
And when I throw the line you proceed to take
The goody, the treat that I hand you That you couldn't refuse
Damn, I cram to understand you
Your love is to Lyte to lose I am the Lyte
I am, I am, I am the Lyte
I am, I am the Lyte
I am, I am, I am the Lyte
The Lyte, the Lyte I am the Lyte
I am, I am the Lyte
I am, I am the Lyte
I am the Lyte
The Lyte, the Lyte I think you deserve this, you waited long enough
For a rhyme that's super duper extra tough
Every human is lurkin' and loomin'
Puba on the beat and you know the shit is boomin' Tasty like pastry, fresh from the bakery
First priority, that's the way it has to be
Feel the drum, I bet it makes your body numb
One for all and all for one I bet you come Hurry, hurry, step right up and see the show
MC Lyte and K-Rock are about to throw
Get on line and purchase your ticket
Hey, don't worry

Lyte is gonna kick itGo on, be happy
I put you up on the scoop
Now come and watch the party hoopI am the Lyte, the Lyte
I am the Lyte
The Lyte, the Lyte
I am the Lyte
I am, I am, I am the Lyte
The Lyte, the LyteI am the Lyte
I am, I am, I am the Lyte
I am the Lyte
I am, I am, I am the Lyte
The Lyte, the LyteI am the Lyte and it is time for me to go
You wanna beef? Save that shit for the toilet bowl
I use styles, styles and much many styles
I leave smiles, smiles and much many smilesOn the people who come to see the Lyte perform
Word is born
The rhyme will kick and the brain will tick
You can tell because the record'll sellOld styles and new styles formatted together
Bold or dull, so it doesn't matter whether
Which comes first or vice-a versa
It won't make a difference, as long as you rehearse-a
Get it down pat, and come right and exact
MC Lyte is comin' right and I'ma say goodnightThe Lyte, the Lyte, the Lyte
The Lyte, the Lyte, the Lyte
I am the Lyte, I am, I am the Lyte
I am, I am, I am the Lyte
I am the Lyte
The Lyte, the LyteYeah, MC Lyte in effect for '89
One time to wreck that mind boy
Yeah, ah pump, pump, pump it up
Yeah sure nuffMC Milk Warlord of the mix board
