Pointed Toe Shoes

Carl Perkins

Well there's a
Brand new style going round
A hypnotizing cats in town
Living in a walking dream
A pointed toe and that's what I meanI said pointed toes
Are coming back again
Uh huh uh, pointed toes
Are coming back againWell, everything's alreet
When I got 'em on my feet
I say the point's coming back againWell, they're made from high colored dye
Long and lean, narrow and keen
Some are brown, some are black
A cat starts a walking
He's easy to track
I said pointed toes
Are coming back again
Uh huh uh, pointed toes
Are coming back againEverything's alreet
I got 'em on my feet
I say the point's coming back again
RockWell, I'm sharp toed
A high heeled
And buckle on the side
Zip 'em up and lace 'em up
Or any old styleI won't have to worry
Who's stepping on my blues
A keen cutting cat
In my pointed toe shoes
I said the pointed toes
Are coming back again
Uh huh, pointed toes
Are coming back againEverything's alreet
I got 'em on my feet
I said the point's coming back again
RockSharp toes, I want a pointed shoe
Uh huh, sharp toes, I want a pointed shoe
Ooh, yeah, yeah, I want a pointed shoe
Uh huh, sharp toes, I want a pointed shoeWell, everything's alreet
I got 'em on my feet

I said the point's coming back again
