Sitting On The Edge Of The Ocean

Bonnie Tyler

(ronnie scott/ steve wolfe)
Producers for bonnie: hugh murphy/ ronnie scott/ steve wolfeYou asked me to come
And so here I am
Has everything gone
According to plan
Don't know what to play
But something still burns
As soon as we touch again
That feeling returns
A little confused
But better by far
To be lovers again
'cause that's what we are, it's like*i'm (just) sitting on the edge of the ocean
Walking a very fine line
Laying my cards on the table
Got to be honest this time
I'm just sitting on the edge of the ocean
Telling it all to the sea
Baby, you know that I love you
But I want you to know that I'm meI knew him before
Before I met you
He was my first love
So what could I do
I've opened my heart
Now you know it all
You want me to stay
You've only to call, it's like*repeat
