

Had To Feel Something

Cosima

The club isn't the best place to find a lover
So the bar is where I go
Me and my friends at the table doing shots
Drinking faster and then we talk slow
Come over and start up a conversation with just me
And trust me I'll give it a chance now
Take my hand, stop
Put Van The Man on the jukebox
And then we start to dance
Got me feeling like Girl, you know I want your love
Your love was handmade for somebody like me
Come on now, follow my lead
I may be crazy, don't mind me
Say, boy, let's not talk too much
Grab on my waist and put that body on me
Come on now, follow my lead
Come on now, follow my lead
I'm in love with the shape of you
We push and pull like a magnet do
Although my heart is falling too
I'm in love with your body
And last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand new
I'm in love with your body
Oh I oh I oh I oh I
I'm in love with your body
Oh I oh I oh I oh I
I'm in love with your body
Oh I oh I oh I oh I
I'm in love with your body
Every day discovering something brand new
I'm in love with the shape of you
Se que no puede ser la mejor idea para encontrar el amor
Asi que mejor me quedo con mis amigos
Tomando algo hasta que salga el sol
Entonces te acercas a mi diciendo como estas
Pues alla mucho mejor, me agarras bien de la mano
Dedos al piano, mientras que canto esta cancion Sabes que quiero tu amor

Un amor que yo siento dentro de mi
Sigueme, sigueme si, me vuelvo loco yo sin ti
Ya di, que no hablemos mas, agarrate mas fuerte
Pegate a mi, sigueme, sigueme si, sigueme, sigueme si Me enamoraste tan solo tu, como un iman en la multitud
Me llevas hasta tus labios, tu me tienes loco y lo sabes
Tu cuerpo es tu gran virtud, una silueta a contraluz
Cada paso que tu das un nuevo sur, me enamoraste tan solo tu
Me enamoraste tan solo tu, me enamoraste tan solo tu
Me enamoraste tan solo tu, cada paso que tu das un nuevo sur
Me enamoraste tan solo Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on I'm in love with the shape of you
We push and pull like a magnet do
Although my heart is falling too
I'm in love with your body
Last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand new
Me enamoraste tan solo tu (im in love with your body) Oh I oh I oh I oh I
I'm in love with your body
Oh I oh I oh I oh I
I'm in love with your body
Oh I oh I oh I oh I (me enamoras, me enamoras, me enamoras, solo tu)
I'm in love with your body
Every day discovering something brand new
I'm in love with your body too and the shape of you
