

Hot In the City (Exterminator Mix)

Billy Idol

Stranger, stranger, stranger, strangerIt's hot here at night, lonely, black and quiet
On a hot summer night
Don't be afraid of the world we made
On a hot summer nightCause when a long-legged lovely walks by
Yeah you can see the look in her eye
Then you know that it's[Chorus]
Hot in the city, hot in the city tonight, tonight
Hot in the city, hot in the city tonight, tonightStranger, strangerFor all the dreams and schemes, people are as
they seem
On a hot summer night
Don't be no fun, don't forget you're young
On a hot summer nightA sometime someone you're not
Don't wait to see what you got
Cause you know that you're[Chorus]We'll walk until my feet drop
I'm a train when I'm hateful
Yeah, lay right down now
And ride until your head breaks
I'm a-walking till my brain pops
I will move with the beat now
I'm a chain 'round an A-bomb
I'm a ribbon in the heat now
New York![Chorus: Repeat to fade}
