

Yellow Shirt

Kylie Marcus

Hey You Yellow Shirt, Brown Skin just got off work?

Would you be mine?

I see you walking over there looking here

Well I see you stare

Would you be mine?

And if I was to approach it

Would you take my ass and roast it

Or would you be mine?

Or if I just let it linger

Would we forget or remember

Would you be mine?

Chorus:

Come on Yellow Shirt

Come on Yellow Shirt

Let me ruin your shirt baby

I will make it worth it baby

Hey you Yellow Shirt

Ya You

Yellow shirt

Come on Yellow Shirt

Come on Yellow Shirt

Let me Ruin your shirt baby

I will make it worth it baby

Chorus:

I can take it off and turn you on

And it will make you Crazy

If you told her

That you would much rather be mine

Cause if I was to be honest

I bet I can make you own this

You'd be mine

And if I was to deliver

I bet you would up and leave her ,

Would you be mine?

Chorus
