

No More Doggin' (aka No More Foolin')

John Lee Hooker

Honey, no more doggin', foolin' 'round with you
Honey, no more doggin', foolin' 'round with you

I'm gonna let you out, baby, and that's what I've got to do
Well, told you all the straights and I made you fine
You spend my money on whiskey, beer, and wine
No more doggin', foolin' 'round with you

I'm gonna let you out, baby, and that's what I've got to do
Well, you told me that you love me and you told me a
lie

Yes, I'll love you until the day I die
No more doggin', foolin' 'round with you

I gotta let you out, baby, and that's what I've got, oh, yes
Well, you know I love you, baby, and I can't help
myself

Yes, I'll love you until the day I die
No more doggin', foolin' 'round with you

I gotta let you out, baby, and that's what I've got to do
I gotta let you out, baby, and that's what I've got to do
I gotta let you out, baby, and that's what I've got to do
