Mano a Mano

Daryl Hall & John Oates

Now I see a lot of people walking around and around
Terra firma turned them upside down
Too scared to reach out, maybe afraid of what they'll find
But a hand stuck in a pocket, come up empty every time, yeahNow you better believe the writing on the wall
All for one and one for all
Woman to woman and m-m-man to man
Face to face, heart to heart, hand to hand sayingMano a Mano, oh
Mano a Mano
Mano a Mano, oh
Mano a ManoNow I see a lot of people fighting for the left or the right
Fighting people see black or white
You'd like to go your way sure I'd like to go mine
But all we're in this together running-ng-ng out of time, time, yeahWoman to woman and m-m-man to man
Heart to heart and hand to hand
Set an example for all the little boys and girls
For the hand that rocks the cradle can rule the world, singMano a Mano, oh
Mano a Mano
Mano a Mano, oh
Mano a ManoNo, no more fighting my friends
Everybody hand to hand
It's time to stop making the same mistake
Over and over and over againMano a Mano, oh
Mano a Mano, oh
Mano a Mano, oh
Mano a Mano, ohMano a Mano, oh
Mano a Mano
Mano a Mano, oh
Mano a ManoMano a Mano, oh
Mano a Mano
Mano a Mano, oh
Mano a ManoMano a Mano, oh
Mano a Mano
Mano a Mano, oh
Mano a ManoMano a Mano, oh
Mano a Mano
