Memory

Asher Monroe

[Chorus]
For all of those moments, the good time and love we share
Lets be more than a memory (memory)
Lets be more than a memory (memory)
For all of the breakups, the makeups for the lovers everywhere
Lets be more than a memory (memory)
Lets be more than a memory[Bridge]
I wanna be there for ya, be there for ya
Be with you tonight girl
Let me hold ya, hold ya let me hold ya
We can share, this will not..the wild - on your side[Chorus]
For all of those moments, the good time and love we share
Lets be more than a memory (memory)
Lets be more than a memory (memory)
For all of the breakups, the makeups for the lovers everywhere
Lets be more than a memory (memory)
Lets be more than a memory(adsbygoogle = window.adsbygoogle || []).push({});
[Verse :(Chris Brown)]
Everyone in the whole world
Searching for someone to share
The love we have between our hearts
And in my eyes no one comparesWatch them stand by watching us
But we got our eyes closed
Seein' love through darkness, yeah
I want[Bridge]
I wanna be there for ya, be there for ya (be there, be there, be there)
Be with you tonight girl (be there, be there)
Let me hold ya, hold ya let me hold ya
We can share, this will not..the wild - on your side[Chorus]
For all of those moments, the good time and love we share
Lets be more than a memory (memory)
Lets be more than a memory (memory)
For all of the breakups, the makeups for the lovers everywhere
Lets be more than a memory (memory)
Lets be more than a memory[Hook]
Come on lets -
Come, hands all on your body
We gotta tell nobody
Oh oh oh oh right nowTurn the way you go

Is your body gonna lose control
Got you high, don't need your clothes
I'm lost girl[Chorus]
For all of those moments, the good time and love we share
Lets be more than a memory (memory)
Lets be more than a memory (memory)
For all of the breakups, the makeups for the lovers everywhere
Lets be more than a memory (memory)
Lets be more than a memory
