

I Love You

Ogie Alcasid

I never would have thought
my dream could come true
that one day i could meet,
someone as special as you.

You always bring me joy
you are an answered prayer.I love you, you are God's gift to me
I love you, for showing me the things i could not see
you have given me a chance to be myself again

I love you, you are everything to me.

So i say thank you for .

thank you for loving me too.I love you, you are God's gift to me
I love you, for showing me the things i could not see
you have given me a chance to be myself again

I love you, you are everything to me.

I love you, you are God's gift to me

I love you, for showing me the things i could not see
you have given me a chance to be myself again

I love you, you are everything to me.Aldub you, you are everything to me.
