(Youlden/Simmonds)
You can catch it if you want to ride
Don't you worry if it pass you by
You can catch it if you want to ride
Don't you worry if it pass you byLord you know the reason why
On this train till I die
Train I ride goes to God knows where
I don't know and I don't careTrain I ride goes to God knows where
I don't know and I don't care
If you aint got money don't despair
'Cause you don't have to pay no farePlease now brother don't you ride this train
Ride the wrong rails, live your life in vain
Please now brother don't you ride this train
Ride the wrong rails, live your life in vain
