

I've Heard That Song Before

[Frank Sinatra](#)

It seems to me I've heard that song before

It's from an old familiar score I know it well, that melody
It's funny how a theme recalls a favorite dream

Dream that brought you so close to me
I know each word because I've heard that song before

The lyrics said, "Forevermore" Forevermore's a memory
Please have them play it again

And I'll remember just when I heard that lovely song before
It's funny how a theme recalls a favorite dream

Dream that brought you so close to me
Please have them play it again

And I'll remember just when I heard that lovely song before
