

Satisfied

Take That

Baby Im watching you to see
I dont like the way youve been treating me
I promised you nothin' and gave you much more
Makin' love is all you wanted me for Youre never satisfied
Youre never satisfied
If you ever change your mind youll see
That you could be satisfied with me Baby you criticize my every move
Look, cant you see Ive nothin' to prove
Ive had enough, its a matter of time
Maybe well make it somewhere down the line Youre never satisfied
Youre never satisfied
If you open your mind you'll see
That you could be satisfied with me You can be if you wanna be
You can be if you wanna be
You can be if you wanna be
You can be if you wanna be I often wonder what I see in you
You dont do the things that I want you to do
I open my eyes and dream its alright
Maybe well make it together tonight When will you be satisfied?
When will you be satisfied?
When will you be satisfied?
When will you be satisfied? Youre never satisfied
Youre never satisfied
If you ever change your mind youll see
That you could be satisfied with me 'Cause youre never satisfied
Youre never satisfied
If you open your mind you'll see
That you could be satisfied, satisfied When will you be satisfied?
When will you be satisfied?
When will you be satisfied?
When will you be satisfied? Baby Im watching you to see
I dont like the way youve been treating me
I promised you nothin' and gave you much more
Makin' love is all you wanted me for Baby you criticize my every move
Cant you see Ive nothin' to prove
I open my eyes and dream its alright
Maybe well make it together tonight Come on girl
Be satisfied, be satisfied
Satisfied, yeah

Come onCome on girl
Come on girlI said baby, I got nothing to prove
You never keeping me satisfied, you see
You never keeping me satisfied, you see
You never keeping me satisfied, you seeI said baby, you never keeping me
You never keeping me
You never keeping me satisfied
Open your eyes and seeI said baby, I got nothing to prove
You never keeping me satisfied, you see
You never keeping me satisfied, you see
You never keeping me satisfied, you seeI said baby, you never keeping me
You never keeping me
You never keeping me
You never keeping me satisfied
