

Seen It All

Korn

I'm an animal
I'm the victim
I'm the answer to your prayers
I'm a witness
I'm a witch hunt
I'm the monster under stairs
I'm the ghost that's in the mirror
I'm everything that you fear
I'm the rip tide
I'm the soul shock
I'm the voice that's in your head I've seen it all
Still can't taste it
Smashed to the wall
Brought me to my knee
I've done it all
Fucked up wasted
Still in my blood
Now inside I'm seeing I'm the hunted
I'm the predator
I'm the answer to the riddle
I'm the off beat
I'm the head fuck
I'm the way that's left of the middle
I'm the player
I'm denying
I'm the one whose not addicted
I'm the logic to the fuck up
I'm the broken one who fixed it I've seen it all
Still can't taste it
Smashed to the wall
Brought me to my knee
I've done it all
Fucked up wasted
Still in my blood
Now inside I'm seeing I'm just a child
With a tear in it's eyes
I am holding this gift
That is broken
What do I have left now? I've seen it all

Still can't taste it
Smashed to the wall
Brought me to my knee
I've done it all
Fucked up wasted
Still in my blood
Now inside I'm seeing
