

Radar Love (Music Video) HD

White Lion

I've been drivin' all night,
My hands are wet on the wheel
There's a voice in my head
That drives my heel
And my baby calls says
She needs me here and
It's half past four
And I'm shifting gear
When she gets lonely
And the longin' gets too much
She sends a cable comin' in from above
We don't need to talk
At all we got a thing
That's called radar love
We got a wave in the air
Radar love
Radio's playin' some forgotten song
Brenda lee's comin' on strong
The road has got me hypnotized
And I'm spinning into a new sunrise
When I get lonely
And I'm sure I've had enough
She sends her comfort coming in from above
We don't need a letter at
All we got a thing that's called radar love
We got a line in the air radar
Love solo no more speed
I'm almost there gotta keep cool now,
Gotta take care last car
To pass here I go
And the line of cars goes down real slow
And the radio played some forgotten song
Brenda lee's comin' strong
And the newsman sang his same song
Oh one more radar lover gone
When I get lonely and I'm sure
I've had enough she sends her comfort
Coming in from above
We don't need a letter at all

We got a thing that's called radar love
We got a line in the sky
We got a thing that's called radar love
We got a thing that's called radar love
