

The Sun's Gonna Shine on You

Vince Gill

Well, it ain't hard to see you've got the blues
Come hold on to me, and I'll comfort you
A pretty little angel with a heavy heart
Well, tryin' to carry on is the hardest part. Love will fool ya, it'll do you wrong
Shout hallelujah when the clouds are gone
'Cause you know pretty baby, the sun's gonna shine on you
The sun's gonna shine on you. I miss that little sparkle on your face
That pretty little smile that has been replaced
Have a little faith, baby just be still
'Cause things are gonna be just the way they will. Love will fool ya, it'll do you wrong
Shout hallelujah when the clouds are gone
'Cause you know pretty baby, when you ain't lookin'
The sun's gonna shine on you.
The sun's gonna shine on you.
