Young Love Topless

Kid Alex

11x Young love topless
3x young love

I met the young but not the foolish one
you can't tell a thousand lives
i will show you a real good love
but you can't read my mind
there are so many things i would do for you
so don't sleep , sleep no more
i 'll take you to a special place

where the girls are

5x Topless
7x ahaa ohhhhu

I met the young but not the foolish one
you can't tell a thousand lives
i will show you a real good love
but you can't read my mind
there are so many things i would do for you
so don't sleep , sleep no more
i 'll take you to a special place

where the girls are

6x topless
3x aha ohuuuuu
2x young love topless
8x young love
Where the girls are?

I met the young but not the foolish one
you can't tell a thousand lives
i will show you a real good love
but you can't read my mind
there are spo many things i would do for you
so don't sleep , sleep no more
i 'll take you to a special place

where the girls are?

6x topless
young love topless
