Slow Life

Grizzly Bear (with Victoria Legrand)

I think I know what?s on your mind
A couple words, a great divide
Waiting in the wings, a small respite
Crowding up the foreground from behind
Even though you?re the only one I see
It's the last catastrophe
Place your bets on chance and apathy
Take anything you want, it?s fine
Keep up the slow life for the night
Don?t take it back, I?ll just deny

This constant noise all the time

Even though you?re the only one I see
It's the last catastrophe
Place your bets on chance and apathy
From the wind in front of me
Even though you?re the only one I see
It's the last catastrophe
Place your bets on chance and apathy
From the wind in front of me
Even though you're the only one I see
