

# Year Zero

## Andy Moor vs. Orkidea

Be a hero, kill your ego  
It doesn't matter, it's all just a pack of lies  
Build a new base, steal a new face  
It doesn't matter it's all just to save you  
We'll never fade away  
We'll never fade away  
I will stand by your ground  
I will tear down myself, I won't fade  
Year zero, another hero  
Is anybody alive here across the line?  
Buy a new face, start a new race  
It doesn't matter, it's all just to save your face  
It's all just to save your face  
It's all just to save you  
We'll never fade away  
We'll never fade away  
I will stand by your ground  
I will tear down myself  
I will stand by your ground  
I will tear down myself

I won't fade and I won't fade  
We'll never fade away  
We'll never fade away  
We'll never fade away  
We'll never fade away  
We'll never fade away  
We'll never fade away  
(We will never fade away)  
We'll never fade away  
(We will never fade away)  
We'll never fade away  
(We will never fade away)  
We'll never fade away  
(We will never fade)  
We'll never fade away  
(We will never fade away)  
We'll never fade away  
(We will never fade)

We'll never fade away
