'Til

The Angels

Till the moon deserts the sky
Till the all the seas run dry
Till then I'll worship youTill the tropic sun turns cold
Till this young world grows old
My darling, I'll adore youYou are my reason to live
All I own I would give
Just to have you adore me, oh, oh, ohTill the rivers flow upstream
Till lovers cease to dream
Till then I'm yours, be mineYou are my reason to live
All I own I would give
Just to have you adore meTill the rivers flow upstream
Till lovers cease to dream
Till then I'm yours, be mine
