Take This Love

Scott Walker

Please don't ever say you love me
when you know, that it's not true.
Oh my darling, say you want me
take this love from a fool.Take my hand dear, walk beside me,
my love's endless, so it's true.
Oh my darling, don't deny me,
take this love from a fool.Somebody said just go your way, all by yourself.
I've got my pride, deep down inside, there'll never be anyone
else.
Hold my hand dear, walk beside me,
my love's endless, so it's true.
Oh my darling, don't deny me,
take this love from a fool.
