Sweetest Waste Of Time

Kasey Chambers

If you don't see me, caught in your wire
If you don't hear me, outside your door
If all this waiting, just leaves me wanting
You still would be, the sweetest waste of time
[Shane]If I could learn
[Kasey]The ways of your mind
[Shane]If I could burn
[Kasey]A hole in your cold heart
[Shane]Everytime,
[Kasey]I called your name
If you don't need me, when you get lonely
If you don't want me, to call your own

If all this hoping, just leaves me hurting
You still would be the sweetest waste of time
[Shane]If you could find
[Kasey]A way through the dark
[Shane]If you could shine
[Kasey]A light on my cold heart
[Shane]Everytime,
[Kasey]I lost my way
If you don't see me, caught in your wire
If you don't hear me, outside your door
If all this wanting, just leaves me waiting
You still would be the sweetest waste of time
You still would be the sweetest waste of time
