

If I Ain't Got You

Jay Sean

it doesn't matter if i ain't got you x2
yeah yaah
ooooo
if i ain't got you, you
if i ain't got you, you
if i ain't got you, you
if i ain't got you, you
hey pretty baby, you got me going crazy
i am down when i ain't got you
cuz baby girl you do it for me
won't you put it on me?
i love the little things you do
so you can spend all you wana dolce and gabbana
i would buy the world for you
so i break it down if your not around
it dosent matter if i aint got you
all the diamond and the pearls
money in the world means nothing
if i aint got you,
and all the watches and the rings
and all them shiny things means nothing
if i ain't got you, you
if i ain't got you, you
if i ain't got you, you
if i ain't got you, you
i had a villa in mineola,
a home in rome
didn't matter cuz i didn't have you
had an apartment in the sky
summers in Dubai
didn't matter cuz i didn't have you
i use to spend all i wana dolce and gabana
but i would trade it all for you,
see girl i had it all but now that your my all
i know that nothing matters without you
all the diamond and the pearls
money in the world means nothing
if i aint got you,
and all the watches and the rings

and all them shiny things means nothing
if i ain't got you, you
if i ain't got you, you
if i ain't got you, you
if i ain't got you, you
what's life without you
a house without you
they don't mean nothing if i am without you
its true
none of it matters girl more than you
my life feels brand new
every minute every time that your with me
and all the time girl i hope that you'll still be
cuz all i need in this world is you and me, cuz baby
all the diamond and the pearls
money in the world means nothing
if i aint got you,
and all the watches and the rings
and all them shiny things means nothing
if i ain't got you, you
if i ain't got you, you
if i ain't got you, you
if i ain't got you, you
said if i ain't got you than i ain't got nothing
so hush lil' baby dont say a thing
daddy's gana buy you a diamond ring
and if that diamond ring don't
shine than daddy's gana buy you a whole damm mine..
hahahah yah mann--Kiran
