

Welcome

Faithful Central Church

VERSE

If You're not here, nobody can be healed.
If You're not here, Lord, no souls can be filled.
If You're not here then, I might as well walk out the door.
If You're not here, then what am I here for?
If You're not here, then what am I here for?

So, Lord You're welcome, and You're wanted, and needed in this place.
Oh Lord, You're welcome, and You're wanted, and needed in this place.
So, let Your precious presence reign here today.
Lord, You're welcome, and You're wanted, and needed in this place.
You're welcome, and You're wanted, needed in this place.

Now that You're here, so we can raise our hands.
Now that You're here, we'll bow in Your presence.
So, just stay here, and rest here, we want You more and more and more.
Now that You're here, I know what I'm here for.
Now that You're here, I know what I'm here for.
So Lord, You're?

CHORUS

Welcome, wanted, needed in this place.
Welcome, wanted, needed in this place.
Precious Presence
Welcome, wanted, needed in this place.
Welcome, wanted, needed in this place.

Now that You're here
Now that You're here
Stay here, rest here
Here, I know what I'm here for.
Here, I know what I'm here for.
Welcome, wanted, needed in this place.
Welcome, wanted, needed in this place.
Precious Presence
Welcome, wanted, needed in this place.
Welcome, wanted, needed in this place.
Welcome, wanted, needed in this place.
Welcome, wanted, needed in.
