

Banquet (Another Version By The Glimmers)

Bloc Party

A heart of stone, a smoking gun
I can give you life, I can take it away
A heart of stone, a smoking gun
I'm working it out, ah
Why'd you feel so underrated?
Why'd you feel so negated? Ha-ha
Turning away from the light
Becoming adult
Turning into my soul
I wanted to bite, not destroy
To feel her underneath
Turning into the light
She don't think straight
No-no-no she don't think straight
She's got such a dirty mind and it never-ever stops
And you don't taste like her and you never-ever will
And we don't read the papers, we don't read the news
And it's never enough, we will never be fooled
Turning away from the light
Becoming adult
Turning into my soul
I wanted to bite, not destroy
To feel her underneath
Turning into the light
And if you feel (and if you feel) a little left behind
We'll await you on the other side
And if you feel a little left behind
We'll await you on the other side
'Cause I'm on fire
'Cause you know I'm on fire when you come
'Cause you know I'm on fire
'Cause you know I'm on fire so stub me out
'Cause I'm on fire
'Cause I'm on fire
'Cause I'm on fire
