

# All I Ever Need Is You

Kenny Rogers

Sometimes when I'm down and all alone  
Just like a child without a home  
The love you give me keeps me hangin' on  
Oh honey, all I ever need is you  
You're my first love, you're my last  
You're my future, you're my past  
And loving you is all I ask, honey  
All I ever need is you  
Winters come and they go, and we watch the melting snow  
Sure as summer follows spring, all the things you do  
Give me a reason to build my world around you  
Some men follow rainbows, I am told  
Some men search for silver some for gold  
I have found my treasure in your soul, honey  
All I ever need is you  
Without love I'd never find the way  
Through ups and downs of every single day  
I won't sleep at night until you say, my honey  
All I ever need is you
