Suffer Catalyst

Aborym

Betrayal - a lone soldier
Prepared for the last call
Solitude - the highest fate
Conclude everything and allDeath in the wastelands
Herald the last standing
Obey the first born
Our world will be tornConflict - a movement of free
Signal the coming
Gratification - a battered fight
I think you better sharpen the knifeMaster and Slave
Increase, full onStupid or brave
ShriekingHardcore - for legends
Rise from ashes
Semigod - end of days
No more praiseSuffer no more
Catalyst for once and for all
Stop dreaming
A will to be free[Fabban latin chorus:]
Omnia munda mundis
Death in the wastelands
Herald the last standing
Obey the first born
Our world will be tornConflict - a movement of free
Signal the coming
