

# Suffer Catalyst

## Aborym

Betrayal - a lone soldier  
Prepared for the last call  
Solitude - the highest fate  
Conclude everything and allDeath in the wastelands  
Herald the last standing  
Obey the first born  
Our world will be tornConflict - a movement of free  
Signal the coming  
Gratification - a battered fight  
I think you better sharpen the knifeMaster and Slave  
Increase, full onStupid or brave  
ShriekingHardcore - for legends  
Rise from ashes  
Semigod - end of days  
No more praiseSuffer no more  
Catalyst for once and for all  
Stop dreaming  
A will to be free[Fabban latin chorus:]  
Omnia munda mundis  
Death in the wastelands  
Herald the last standing  
Obey the first born  
Our world will be tornConflict - a movement of free  
Signal the coming
