

Rebel (feat. Jalise Romy)

Lady Bee

Dagada We are like night and day
Different in many ways
But something tricked me
I try to resist but I can't back down.
Against all odds you got me now. Oh No No no no....
I Try to fight it
Oh no no no no
I can't deny it.
Oh no no no no...
I can't be quit
I'm gonna start a riot
I feel like wearing a bandana
Got a rebelheart
Godzilla
Rock this city up
Nirvana
You're making me a bad girl You're calling out the rebel in me
You're calling out the rebel in me
You're calling out the rebel in me
You're calling out the rebel
Oh, You're making me do things that I would never do
And I'm breaking all the rules that I used to follow
And I never thought this other me, exists in me
You're calling out the rebel in me, rebel You're back again and I Can hear you calling.
Dont wanna answer, But i'm falling.
I try to resist but I can't back down.
Against all odds; you got me now.
Oh No No no no....
I Try to fight it
Oh no no no
I can't deny it.
Oh no no no no...
I can't be quit
Why don't we just start a riot I feel like wearing a bandana
Got a rebelheart
Like Godzilla
Rock this city up
Nirvana
You're making me a bad girl You're calling out the rebel in me

You're calling out the rebel in me
You're calling out the rebel in me
You're calling out the rebel
Oh, You're making me do things that I would never do
And I'm breaking all the rules that I used to follow
And I never thought this other me, exists in me
You're calling out the rebel in me, rebel
