Love The Way You Miss Me

Casey James

Girl, the way you?re talking now
And everything we?re talking ?bout
There ain?t no way, no how
That I can put this phone down
Even though we?re miles apart
I can feel you touching my heart
Lying here in the dark
Wishing I was where you are

Baby, you?re driving me crazy
Girl, if I could, you know I would
I?d be right there, right now
Oh, baby, you?re making me lose my mind
And I?m counting down the days ?til I get home
I love the way you miss me when I?m gone

You know what I wanna hear
Girl, you?re coming in loud and clear
It?s sweet music to my ears
Oh, what I?d do if you were here

Baby, you?re driving me crazy
Girl, if I could, you know I would
I?d be right there right now
Oh, baby, you?re making me lose my mind
And I?m counting down the days ?til I get home
I love the way you miss me when I?m gone

Girl, I hate these nights
When I can?t hold you tight
?Cause I know by your side
Is right where I belong

Baby, you?re driving me crazy
Girl, if I could, you know I would
I?d be right there right now
Oh, baby, you?re making me lose my mind
And I?m counting down the days ?til I get home
I love the way you miss me when I?m gone
