Bastard Chain

Soilwork

Searching for power,who is to blame ? You weak little bastard - bound to symbols of pain,Hiding in shadows,a pungent smell,You haven't decide your own fate cause your story of life is too bitter to tell Your dying eyes with a cowards reflection,Heading for the true direction, forward to die ![Chorus]
Bastard Chain, with souls so lame the bastards chain Bastard Chain, with souls so lame A Bastards chainSo you say your mind belongs to them ? - turned upside down again and again and again Feel ashame ,feel ashame, Yourself to blame,yourself to blame - Only yourself...Only yourself you can blame! only yourself you can blame ! [x3][Chorus]Helpless you will devour,everything that comes before your eyes Citizens of restless power,never let your scorn rule your fate...Your fate!! ...always dragging you down,to the ground,A disgrace,a disgrace,your "masterpiece",your "masterrace" - only yourself, only yourself you can blame
Only yourself you can blame
Only yourself you can blame
Only yourself you can blame[Chorus]Hey!Won't you tell me your name and justify your way of thinking Walking the stairs of the manipulated ones - only yourself,...only yourself you can blame!! Only yourself you can blame ! [x3]
