When We All Get Together With the Lord

Gaither Vocal Band

Now when the rich and the poor get together with the Lord
Get together, get together with the Lord
They'll treat each other like sister and brother
When they all get together with the LordNow when we all get together
When we all get together with the Lord
They'll treat each other like sister and borther
When they all get together with the LordNow when the weak and the strong get together with the Lord
Get together, get together with the Lord
The weak are no longer afraid of the stronger
When they all they all get together with the LordNow when we all get together
When we all get together with the Lord
The weak are no longer afraid of the stronger
When we all get together with the LordNow when the tall and the small get together with the Lord
Get together, get together with the Lord
They'll soon realize they're all the same size
When they all get together with the LordNow when we all get together
When we all get together with the Lord
They'll soon realize they're all the same size
When we all get together with the Lord
