

# When We All Get Together With the Lord

## Gaither Vocal Band

Now when the rich and the poor get together with the Lord  
Get together, get together with the Lord  
They'll treat each other like sister and brother  
When they all get together with the Lord  
Now when we all get together  
When we all get together with the Lord  
They'll treat each other like sister and brother  
When they all get together with the Lord  
Now when the weak and the strong get together with the Lord  
Get together, get together with the Lord  
The weak are no longer afraid of the stronger  
When they all get together with the Lord  
Now when we all get together  
When we all get together with the Lord  
The weak are no longer afraid of the stronger  
When we all get together with the Lord  
Now when the tall and the small get together with the Lord  
Get together, get together with the Lord  
They'll soon realize they're all the same size  
When they all get together with the Lord  
Now when we all get together  
When we all get together with the Lord  
They'll soon realize they're all the same size  
When we all get together with the Lord
