

# I Don't Want To Know

## The Strypes

Backseat lust, you can't deny  
Loose excuses don't satisfy  
Two for one you shouldn't have tried  
Just 'cause he don't want you  
Don't mean that I Don't wanna know  
'Cause I don't wanna know  
Don't wanna know  
'Cause I don't want to Finders keepers don't seem to apply  
See no future, beyond your lies  
Leave you soakin' or leave you dry  
I'm leaving baby  
Don't you know that I Don't wanna know  
'Cause I don't wanna know  
Don't wanna know  
'Cause I don't want to  
(know)[Break]Don't wanna know  
'Cause I don't wanna know  
Don't wanna know  
'Cause I don't wanna know Don't wanna know  
'Cause I don't wanna know  
Don't wanna know  
'Cause I don't want too
