

# Young Forever

## I Want to Be Forever Young

Let's dance in style, let's dance for a while  
Heaven can wait, we're only watching the skies  
Hoping for the best, but expecting the worst  
Are you gonna drop the bomb or not?  
Let us die young or let us live forever  
We don't have the power, but we never say never  
Sitting in a sandpit, life is a short trip  
The music's for the sad man  
Forever young, I wanna be forever young  
Do you really want to live forever, forever and ever?  
Forever young, I wanna be forever young  
Do you really want to live forever, forever, forever?  
So we livin' life like a video where the sun is always out  
And you never get old and the champagne's always cold  
And the music's always good  
And the pretty girls just happen to stop by in the hood  
And they hop their pretty ass up on the hood of that pretty ass car  
Without a wrinkle in today 'cause there's no tomorr'  
Just a picture perfect day that lasts a whole lifetime  
And it never ends 'cause all we have to do is hit rewind  
So let's just stay in the moment, smoke some weed, drink some wine  
Reminisce, talk some shit, forever young is in your mind  
Leave a mark that can't erase neither space nor time  
So when the director yells "cut," I'll be fine, I'm forever young  
Forever young, I wanna be forever young  
Do you really want to live forever, forever and ever?  
Forever young, I wanna be forever young  
Do you really want to live forever, forever, forever?  
Fear not when, fear not why, fear not much while we're alive  
Life is for living, not living uptight, see ya somewhere up in the sky  
Fear not die, I'll be alive for a million years  
Bye-byes are not for legends, I'm forever young, my name shall survive  
Through the darkest blocks, over kitchen stoves, over Pyrex pots  
My name shall be passed down to generations  
While debating up in barber shops  
Young Slung hung here, Shorty, the nigga from here  
With a little ambition, just what we can become here  
And as the father passed his story down to his son's ears  
Younger kid, younger every year, yeah

So if you love me, baby, this is how you let me know  
Don't ever let me go, that's how you let me know, baby  
Forever young, I wanna be forever young  
Do you really want to live forever, forever and ever?  
Forever young, I wanna be forever young  
Do you really want to live forever, forever, forever?  
Slamming Bentley doors, hopping out of Porsches  
Popping up on Forbes lists, gorgeous  
Hold up, niggas thought I lost it, they be talking bullshit  
I be talking more shit, they nauseous  
Hold up, I'll be here forever you know I'm on my fall shit  
And I ain't waiting for closure, I will never forfeit less than four bars  
Guru bring the chorus in, did you get the picture yet?  
I'm painting you a portrait of young  
Forever young, I wanna be forever young  
Do you really want to live forever, forever and ever?  
Forever young, I wanna be forever young  
Do you really want to live forever, forever, forever young?
