X13

G//Z/R

Imploding nuclear family
Disfunctionally correct
Condom-ed to monoality
This is generation xToxified, sterilized
Computerized, victimizedImploding nuclear family
Disfunctionally correct
Condom-ed to monoality
This is generation xDehumanized, ostracized
Lobotomized, desensitized, illegalisedFace to interface, lost in cyberspace
Lonely as the grave, we surf the
MicrowaveAs we file away our memories
For instructions see above
We thank the lord for listening
And fax him all of our love
