

Long Ago (And Far Away)

Oscar Peterson

Long ago and far away
I dreamed a dream one day
And now that dream is here beside me
Long the skies were overcast
But now the clouds have passed
You're here at last
Chills run up and down my spine
Aladdin's lamp is mine
The dream I dreamed was not denied me
Just one look and then I knew
That all I longed for long ago was you
Long ago and far away
I dreamed a dream one day
And now that dream is here beside me
Long the skies were overcast
But now the clouds have passed
You're here at last
Chills run up and down my spine
Aladdin's lamp is mine
The dream I dreamed was not denied me
Just one look and then I knew
That all I longed for long ago was you
Just one look and then I knew
(Him, with her humming along)
That all I longed for long ago
Was you
