

# Star Baby

## The Guess Who

Well I never been much for admitting things  
That's why it's all so hard to say  
That I'm head over heels in love with your kind of insanity  
And if it please your highness on a sunny day sometime  
Can I take your picture in the park with silk and satin oh?

[Chorus:]

Star baby  
Flashy little shiny little two timin' mama singin'  
Star baby  
Shiny little flashy little lovin' machine

I've never been much good at keepin' a secret  
Now it's easy for me to say  
That I'm head over heels shook up about the way that you fool with me. And  
If it please you highness on a sunny day sometime Can you take me riding  
Babe I'll tell you what I'm thinkin' 'bout you

[Chorus]

Well I saw you last night on a Hollywood show  
And now it's easy for me to say  
That I'm head over heels shook up about the way that you sang to me  
And if it please your highness on a sunny day sometime  
Can you take me drivin' maybe kissin' in you Cadillac

[Chorus]
