

Rumour

Gary Numan

I listen to rumours
Stone cold and bleeding
They burn my heart away
Left me alone and afraid
Words seem to leave me
Just when I needed them
Just like I need you
Like I'm supposed to do
They say:
Love is deceiving
She won't stay forever
Love is deceiving
Is all that she knows
Love is deceiving
She'll leave you forever
Love is deceiving
She comes and she goes
I wonder
I wonder I listen to rumours
Listen to everyone
Everyone but you
And now it's all too late
