In Your Apartment

Charlotte Sometimes

I noticed I've been looking all around Still hoping that we'd work out But my authority on the subject has been long out So la, ladi, dadi, da, ladi, dadi, oh In your apartment we were together Always as one, always as one It was like this but it wasn't, was it? I take deep breaths around you, watch the clock That's not the kind of girl I am So la, ladi, dadi, da, ladi, dadi, oh, oh In your apartment, we were together Always as one, always as one It was like this but it wasn't, was it? So ba, ba, ba, ba, ba, ba, ba Goes the trumpet inside my Ba, ba, ba, ba, ba, ba, ba Goes the trumpet inside my In your apartment, we were together Always as one, always as one It was like this but it wasn't Ba, ba, ba, ba, ba, ba, ba Goes the trumpet inside my Ba, ba, ba, ba, ba, ba, ba Goes the trumpet inside my Ba, ba, ba, ba, ba, ba, ba Goes the trumpet inside my head
