Funplex

The B-52's

I'm a pleasure seeker
Shoppin' for a new distraction
I'm a pleasure seeker
Lookin' for some platinum actionI'm a pleasure seeker
Movin' to the muzak
I'm a pleasure seeker
Lookin' for the real thingChandalabra's in a Wonderbra
Dress barn runway, a real draw
Faster pussycat, thrill, thrill
I'm at the mall on a diet pillOh, broke my heart at the Funplex
Yes you did, yes you did
Oh, broke my heart at the Funplex
Yes you did, yes you didThe Taco Tiki Hut
Is where we're all gonna meet
Underneath the chandelier at the ATM machine
Oh honey, is it all about money?Hey lady, what?
What lady?
That lady? NoPrivate property, hippie be quiet
Your peace sign t-shirt could cause a riot
Faster, faster, can't get enough
What the hell will I do with this stuff?I'm your daytime waitress
At the Taco Tiki Hut
I'm your daytime waitress
Here's your stupid 7-UpYou kicked my heart
Goin' up and down the escalator
You blew me off and
Now you've lost the real thingOh, broke my heart at the Funplex
Yes you did, yes you did
Oh, broke my heart at the Funplex
Yes you did, yes you didYou know fashion frenzy
(Panic at the Funplex)
Gets me higher and higher
No will power and my wallets on fire(Panic at the Funplex)
Fashion frenzy
Gets me higher and higher
No will power and my wallets on fireOh, broke my heart
Oh, broke my heart
Panic at the FunplexFaster, faster thrill, thrill
Too much to do

It's time for a pillOh, broke my heart
Panic at the FunplexMisery at the Funplex
And theres too much sex
The world is goin' to hell
And what is that horrible smell?
(Panic at the Funplex)Faster, faster thrill, thrill
Faster, faster thrill, thrill
Too much to do
It's time for a pill
