

Funplex

The B-52's

I'm a pleasure seeker
Shoppin' for a new distraction
I'm a pleasure seeker
Lookin' for some platinum action I'm a pleasure seeker
Movin' to the muzak
I'm a pleasure seeker
Lookin' for the real thing Chandalabra's in a Wonderbra
Dress barn runway, a real draw
Faster pussycat, thrill, thrill
I'm at the mall on a diet pill Oh, broke my heart at the Funplex
Yes you did, yes you did
Oh, broke my heart at the Funplex
Yes you did, yes you did The Taco Tiki Hut
Is where we're all gonna meet
Underneath the chandelier at the ATM machine
Oh honey, is it all about money? Hey lady, what?
What lady?
That lady? No Private property, hippie be quiet
Your peace sign t-shirt could cause a riot
Faster, faster, can't get enough
What the hell will I do with this stuff? I'm your daytime waitress
At the Taco Tiki Hut
I'm your daytime waitress
Here's your stupid 7-Up You kicked my heart
Goin' up and down the escalator
You blew me off and
Now you've lost the real thing Oh, broke my heart at the Funplex
Yes you did, yes you did
Oh, broke my heart at the Funplex
Yes you did, yes you did You know fashion frenzy
(Panic at the Funplex)
Gets me higher and higher
No will power and my wallets on fire (Panic at the Funplex)
Fashion frenzy
Gets me higher and higher
No will power and my wallets on fire Oh, broke my heart
Oh, broke my heart
Panic at the Funplex Faster, faster thrill, thrill
Too much to do

It's time for a pill
Oh, broke my heart
Panic at the Funplex
Misery at the Funplex
And theres too much sex
The world is goin' to hell
And what is that horrible smell?
(Panic at the Funplex)
Faster, faster thrill, thrill
Faster, faster thrill, thrill
Too much to do
It's time for a pill
