Don't Say Goodbye

Goldfinger

I know the way that I have picked apart at you
And I know the way that I have less that you're used to
Lets try and find a way that we can work it out
Don't say what I can't bear to hear

Don't say goodbye yeah yeah
Just one more try yeah yeah

I know the way my insecurities can grate
I tend to judge myself ahainst my perfect mate
So when I'm acting strange don't give up on all hope
Don't say what I can't bear to hear

Don't say goodbye yeah yeah
Just one more try yeah yeah

Well after all I'm telling you don't waste your time I will be home soon
