Keep It Cool

Mapei

Keep your cool, you gon' need it
It's a cold world
Count your friends on your fingers
It's too cool
Keep it easy, run for forward when it's hard
Don't be scared I'll be there for you!Friends come and go like the spring, or snow
You can make plans but you'll never know
Whether the tide is high, whether the high is lowKeep your cool
Keep your cool
Keep your cool
Keep your cool
Keep your cool
Keep your cool
Keep your cool
Keep your cool
Keep your coolKeep your cool, times are wasted across the border
Make a mince understand it's too cool
Take it easy, run for forward when it's hard
Don't be scared I'll be there for you!
Don't be scared I'll be there for you!Friends come and go like the spring, or snow
You can make plans but you'll never know
Whether the tide is high, whether the high is lowKeep your cool
Keep your cool
Keep your cool
Keep your cool
Keep your cool
Keep your cool
Keep your cool
Keep your cool
Keep your cool
