There's No Me Without You

The Manhattans

Baby, you are my life
And without you I'm an empty shellThere's no house without a home
And there's no man who wants to be alone
There's no child without a dream
And there's no song without a meaningThat's how I know
There's no me without you
There's no me without youThere's no life without a plan
Every woman wants herself a good man
There's no heartaches without tears
And time just can't go by without the yearsThat's how I know
There's no me without you
There's no me without youYou know there's no stars without the night
Huh, and there's no wrong without a right
And there's no good without a bad
And when one man is happy, the other man is sadOh oh, that's how I know
There's no me without you
There's no me without you
Oh, yeah, yeah, yeah, yeah, yeah, yeahThat's how I know
(That's how I know, baby, yeah, yeah, yeah, yeah)
There's no me without you
(My, my, my, my, my, my, my, my)That's how I know
(There's no house, there's no house without a home)
That's how I know
(And there's no man, no man who wants to be alone)
