Knife's Edge

Tiger Army

Alone - tormented by the love that owns my soul
I feel the loss of everything
Control - it's so hard not to lose in this life, oh
Luck in love's a silver blake 'cause -My heart is, it's on a knife's edge over you
Stiletto that your hand has pushed right through
And the blood pours, but my love does not run out
So tell me what's it all aboutAnd so - vendetta inked into my skin
Black block - of a coffin coverup
No hearts or banners with your name
One tear - one drop of blood to leave you there
My heart is, it's on a knife's edge over you
Stiletto that your hand has pushed right through
And the blood pours, but my love does not run out
So tell me what's it all aboutAnd now - I've made it out alive but barely
And - I've got the scars to show for it
But then - here's a new chance to fall in love again
With someone new but is the blade her friend?My heart is, it's on a knife's edge over you
Stiletto that your hand has pushed right through
And the blood pours, but my love does not run out
So tell me what's it all about
My heart is, it's on a knife's edge over you
Stiletto that your hand has pushed right through
And the blood pours, but my love does not run out
So tell me what's it all about
